SUNDAY SCHOOL

Our Sunday School meets during the 10.30am service each week and we currently have members from pre-school to Year 8. This week we are celebrating the feast of All Saints' and considering what makes someone a saint and what it means to be 'saintly'. Children are invited to assemble at the Welcome Desk at the back of church during the first hymn. Visiting children are always welcome. (Pre-schoolers are asked to bring an adult with them.) A heads up for Sunday 10th November - the Remembrance Sunday service and Sunday School will start at the earlier time of 10am. Finally, do please remember to speak to Kirsteen or Suzette if you are interested in lending a hand with Sunday School!

VISION 2030

A big thank you to all of those who responded to the vision questionnaire during late September/early October. Responses were received from 97 people, either individually or as part of group discussions. This level of engagement is very encouraging as we seek to develop a 5 year vision for St Mary's. The consolidated feedback runs to over 600 lines of constructive comments and suggestions. Judging by the length and detail of many of the responses, it is evident that the questionnaire has been carefully considered, for which I'm truly grateful. The next steps are to review the survey results and draft a vision document, including a mission action plan, for consideration by the Parochial Church Council (PCC). Thereafter, we hope to finalise the vision so that it may be communicated to everyone connected with St Mary's early in the New Year. Please join me and continue to pray that God equips us and helps us use our gifts, so we can become the church we seek to be, in accordance with His will. Thank you, *Fr Angus*

PRAYER FOR CMM SISTERS

Loving Father, we pray for the CMM Sisters in Tanzania and Zambia as they share what they have with those in need. Sustain them and those who are coming to them for food, after extreme weather damaged crops and while war in Ukraine diminishes the importation of vital grain. Renew in us all a hunger to tackle climate change, a thirst for peace, and a deep desire for your equilibrium to be established on earth. Amen.

CHURCH TOWER UPDATE

I wrote in the 23rd June 2024 Newsletter that that was my last report as Chair of the Tower Project Team. However, there are two items which I thought needed to be covered in an update. The first is good news, the second less so but manageable.

On October 1st, St Mary's Church was given a national architectural award for the recent tower refurbishment work. This was awarded, by the London based Georgian Group, for the best restoration of a church in the country. In its citation, it says that the renovation work was needed following stone falls in 2021, which covered stone replacement using lime mortar, the

refurbishment of the clock faces, the repainting of the heraldic shields and the refurbishment of the finials and weathervanes. It also mentions the work of the church architect, Mark Stewart, and the building contractor, Ackroyd Construction.

Clare Gould and I collected the award certificate in a ceremony in London. Unfortunately, Mark Stewart, the real star of the show, had covid and was unable to attend. I think it is fair to say that we sat waiting for the results announcement more in hope than expectation but were both surprised and delighted when the name St Mary's Church, Warwick was read out.

That is the good news. The not so good news is that the clock has stopped working. The main project covered the removal of the four clock dials and hands for restoration offsite, along with the overhaul of the dialworks. The view taken at the time was that the separate clock mechanism would not need any major work. Sadly, this has not turned out to be the case. The carillon and time bells still work but not the basic clock. The clock manufacturer has now been asked for a quote to refurbish the clock and, separately, a quote to bi-pass the clock with an electronic clock either as a temporary or permanent solution. Angus and the PCC will have to consider how any cost can be afforded.

As usual, admission is free with a retiring collection and the performance begins at 1.15pm.

LIVESTREAMING

We provide a livestream of our 10.30am Sunday service on Facebook and YouTube. To comply with data protection regulation, St Mary's must have consent of anyone whose image might be included in our broadcast. The full policy can be read on the noticeboards or on the "Featured" section of the front page of our website. The south side of St Mary's (by the font) is a zone for those who wish to maintain social distance or avoid the cameras from our livestreaming. In other parts of the Church every attempt is made not to show faces, but this can happen if people turn around during the service. The congregation is not filmed whilst receiving communion. The 10.30am order of service, Weekly Newsletter and Parish Magazine can also be viewed and downloaded from our website.
