

We are sorry that choral services at St Mary's are suspended until further notice.

Our Service and Music List will be published here when services resume.

A Sunday Worship service is currently held at St Mary's at 10.30am each week – a simple act of worship with prayers, readings, pre-recorded music and a sermon.

This is also live-streamed on Facebook www.facebook.com/stmaryswarwick and St Mary's YouTube channel <https://www.youtube.com/c/CollegiateChurchofStMaryWarwick>
