

Weekly Newsletter

WELCOME TO OUR WEEKLY NEWSLETTER. At the start of January the Westminster Parliament placed England into a third lockdown. For the time being our weekly Sunday Agape Service will be live streamed on Facebook and then uploaded onto YouTube. All other activities are also suspended in line with the government's *Stay at Home* message.

THE CHURCH
OF ENGLAND

We are constantly monitoring further guidance from the Government and the Church of England.

Throughout the pandemic we have continued to produce our news sheet, prayer diary and parish magazine, which can be viewed and downloaded from our website. The church office is working from home at present and can be contacted through the details at the end of the newsletter or online.

Further information about St Mary's, our life and ministry can be found on: our **website** www.stmaryswarwick.org.uk

NOTICES

A SEASON OF PENANCE

This Sunday is the second in the season of Lent. The readings in our live streamed Agape service will be Genesis 17: 1-7, 15-16 (God's covenant with Abraham) and Mark 8: 31-38 (Jesus predicts his death). If you are joining us in sharing food and drink, something that reflects those encounters would be appropriate for today's worship. Join us on Facebook or later on YouTube if you can.

A SEASON OF UNCERTAINTY

Last week the PCC's Standing Committee met to discuss how things might be managed as we look towards some form of reopening for our church, depending on advice from government, the Church of England nationally and other bodies (e.g. the Royal School of Church Music). We have drawn up a plan based on the National Health Service's chart of likelihood and consequence. This will give St Mary's a means of assessing the risk of restarting and reopening different aspects of our ministry, particularly as conditions change in relation to the pandemic and government advice.

		Consequence				
		1	2	3	4	5
Likelihood	1	1	2	3	4	5
	2	2	4	6	8	10
	3	3	6	9	12	15
	4	4	8	12	16	20
	5	5	10	15	20	25

Within this context a number of factors will be important, including:

- **Prevalence:** Transmission rates in the locality will be the key factor here.
- **Variant:** We are experiencing new, more transmissible variants.
- **Numbers:** The number of people you are mixing with multiplies the likelihood risk of coming into contact with someone with the virus.
- **Time:** The longer you are with people the higher the risk of transmission.
- **Proximity:** The closer you are to people the higher the risk of transmission.
- **Protection:** Mask wearing reduces the risks of transmission. If there are individuals who cannot wear a mask, there is an increased risk for them, and for those around them.
- **Singing and loud speaking:** These activities project water droplets and vapour further, which increases the risks of transmission. This is often combined with the increased risk from not wearing a mask.

This gives us a flexible framework to assess the numerous and various challenges that reopening will make upon us in the coming weeks and months.

PARISH MAGAZINE

The new edition of the Parish Magazine is now available via the What's On tab of the church website. Featuring food for thought, thought for food and much else, it is well worth a read.

THE BISHOP OF COVENTRY

On the 22nd January, the UN Treaty on the Prohibition of Nuclear Weapons (TPNW) came into force. It breathes new life into global disarmament efforts and focuses attention on the catastrophic humanitarian impacts of the use and possession of nuclear weapons. In the House of Lords on the 21st January, Bishop Christopher encouraged the UK Government to engage constructively with the treaty, its signatories and their concerns. The Bishop's intervention follows a letter to The Observer from November 2020, which he co-drafted and signed along with 30 bishops, including both Archbishops. He also gave an interview to the World Council of Churches on the subject. Read more here:

KEEP WATCHING

We are thrilled to have been awarded a grant of £4,000 from the 'Hope Beyond' programme of Allchurches Trust. This programme has been put in place to enable churches and Christian charities to adapt to the challenges and opportunities presented by the Coronavirus pandemic.

ALLCHURCHES TRUST LIMITED[®]
OWNERS OF ECCLESIASTICAL INSURANCE GROUP

We applied for a grant to help us fund our plans to improve our livestreaming capabilities. We have already completed phase 1 and hopefully everyone has noticed a distinct improvement in the sound quality. Now we are working on ideas to improve the visual content of the stream with a more permanent setup. Watch this space and thank you to everyone who has taken this grant and the project through!

EASTER CARDS AND GIFTS

We have a range of Easter cards and gifts for sale from the stock remaining after the church shop was mothballed last spring. There is a catalogue downloadable from

http://www.stmaryswarwick.org.uk/images/uploads/Easter_stock.pdf, with

details of how to order. Payment will be by bank transfer or cheque through the post and items will be delivered free to Warwick and Leamington or posted elsewhere (postal charges will apply). Collection will not be possible while the church remains closed.

FABRIC UPDATE

Work continues on the roofs of the north entrance and chapter house, although the recent hard freeze followed by downpours has delayed stone work by a couple of weeks. Investigations in January revealed major issues with the construction of the roof above the song school stairs leading to

significant problems with condensation. The roof has now been removed and reconstructed at an additional cost of £36,000, taking the project cost to a total of over £170,000. Thankfully, we have been awarded an extension to our existing Culture Recovery Fund Major Works Fund grant to cover 80% of the total. We are obliged to fund the remaining 20%. Our Operations Manager has been in frequent contact with the Cathedral and Church Buildings Division of the CofE about the

grant, and is immensely grateful for their administrative support.

The Public Notice of the application for the faculty for the roof reconstruction work has been published - a legal requirement before the Chancellor of the diocese may grant the confirmatory faculty, having previously issued the interim faculty allowing the works to take place immediately. For more information, see the home page of our website. The erection of the tower scaffolding awaits a road closure plan and subsequent clearance from Warwickshire County Council, an issue which is proving to be hard - and likely to be extremely costly - to resolve, given the narrowness of the road and Warwick's convoluted one-way systems.

DAILY HOPE PHONELINE

Daily Hope is a free national phone line which offers music, prayers and reflections as well as full worship services from the Church of England at the end of a telephone line. The line is available 24 hours a day on 0800 804 8044. Callers will hear a special greeting from the Archbishop before being able to choose from a range of options, including hymns, prayers, reflections and advice on COVID-19. A section called Hymn Line offers callers a small selection of hymns, updated daily. An option entitled 'Hymns We Love' provides a hymn and reflection.

21st CENTURY GIVING

As restrictions continue into the new year, our income from collections, donations, concerts and weddings is likely to remain very low for some months, whilst our unavoidable running costs continue to be high. If you have not already done so, please consider setting up a Standing Order or making a one-off donation by cheque or bank transfer.

Alternatively we have a giving page at <https://www.give.net/20220625> or use the QR code to the right, where you may choose to give a one-time donation or set up monthly giving, including Gift Aid where appropriate. The service provider will take 3% of your total giving for each transaction so, if you are considering monthly giving, a Standing Order is still the best option! For more information please email our Operations

Manager, Mary Adams, on om@stmaryswarwick.org.uk.

DEEPER 2021

Castle Hill Baptist church will be running this year's Deeper from 16th to 18th March on Zoom. Dr John Andrews will be unpacking the letter to Philemon on the topic of 'Freedom Through Forgiving.' It should be a stimulating but challenging three evenings of Bible study. All the details on how this event will run and how to sign up are on the Castle Hill website: <https://warwickbaptists.org.uk/deeper>.

LEAN INTO LENT

Our Diocese is seeking to support people through the coming penitential season with its Leaning into Lent project. The Diocesan website

explains: “Lent is obviously a very special time of walking with Jesus on that challenging path, of agony and love, to the cross. This year it feels different, coming as it does at the end of a year that has been painful, isolating and uncertain. Perhaps that gives us a new insight; at the same time it makes us vulnerable, and in need of rest, retreat and nourishment ourselves. So this year, we want to encourage a sense of being one

Diocesan family, whilst necessarily being separated: for it to be a time of positive, Biblical gentleness in which we lean into Lent, leaning on the arms of each other and the God who supports us.

We would hope to encourage a sense of Sabbath Time, when we can create space in our lives for feeding our souls (and bodies) in whatever way we need, and claim the refreshment that God alone can give. And where possible we aim to relieve the burden, rather than add to it in any way. So these are a number of resources we are making available and we hope you will find helpful, and use or adapt freely.”

JOB VACANCY

A brand-new Message Bus is heading to Coventry and Warwickshire. The bus will be a state-of-the art mobile youth centre working with churches and communities across the whole area to share the gospel.

Step onboard and you’ll find a bus packed with games consoles, a nail bar, games and much more, but most importantly it’s somewhere young people get to hear about Jesus’ love for them and connect with the local church.

The Message, a Christian charity, is looking for a bus manager/evangelist to head up their bus ministry in the Midlands. As well as running bus sessions in partnership with local churches, you’ll be responsible for building relationships with churches and partners across Coventry and Warwickshire as well as leading on bus projects. For more information see

<https://www.message.org.uk/jobs/bus-manager-evangelist/>. The closing date is 20th March.

CREATION CARE

Creation Care is a new scheme to help households improve their care of God's creation. It has a similar structure to Eco Church, with Bronze, Silver and Gold awards. Households can register and work through an online questionnaire covering each of the seven areas. (Click on the Household tab to register, then the questions can be seen by clicking on Update Answers.) Working through the questions is a great way to show up areas for a household to discuss and act on. Find out more and register here.
