Prayer Diary

Thank you for using this diary to support our local, national and global communities through prayer, and thank you to everyone who has shared suggestions and prayers this month. Feel free to use the diary as flexibly as you like to respond to the needs of others. The **green country names** remind us of countries at various stages of their journey with Covid-19. You are warmly invited to send ideas for June's diary, ideally by 10th May, to prayerdiary@stmaryswarwick.org.uk or 07799 682872. **Highlighted words** contain links to Bible readings and other related material. If you would like to receive future editions of the diary directly by email, or you know anyone who would like a paper copy but can't print one out, please contact the prayer team (see above).

As we breathe fresh air, drink in sunshine and imagine bright ribbons weaving around maypoles, we pray for the rebirth and strengthening of bonds of friendship between individuals, communities and countries. May this be a time for hope, unity, thanksgiving and meaningful action for life on and of our planet.

Sun 2

The Fifth
Sunday of Easter

Lord God, as we worship together but remain physically apart, we pray that your love will fill the space between us. While we scatter after the service, may this brief time of non-mingling be enough to look behind the masks for unshed tears and personal stories that need to be told. In our efforts to live within the rules, enable each of us to fulfil our responsibility to love and care for one another.

Lord, we pray for the work of the **Global Alliance for Maternal Mental Health** and its commitment to nurture child development by preventing the avoidable, and often tragic, suffering experienced by women and their families during and after pregnancy. We pray that sufficient funding will be available to improve services and research into this neglected area, particularly in low-income countries, for the sake of all your precious children, Lord.

Lord you speak to us, urging us to follow the example of your Son, and to fulfil your word. We give thanks for those who were called to be followers of Christ in this world. In Rogationtide we give thanks for the nourishment of the rich soil, for the clarity of light and for the refreshing rains which provide our food in abundance. Bless the hands of those who work and care for the land. Forgive us, Lord, when we take more than we need and neglect our duties to be good stewards, or good neighbours, depriving others of their daily bread.

On International Nurses' Day, we think of all caregivers around the world in some words taken from the Nurses' Prayer: "Lord, please help me to bring comfort where there is pain, courage where there is fear, hope where there is despair, acceptance when the end is near, and a gentle touch with tenderness, patience and love."
